LinkedIn: <https://www.linkedin.com/in/marcus-herrera-iv>

Full Stack Developer with a proven ability to collaborate effectively with team members. A passion for both personal growth and for web development. Attended a coding bootcamp to learn new languages while sharpening existing skills. Excited to leverage skills as part of a fast-paced, quality-driven team to build better experiences on the web.

Technical Skills

Front-end: HTML, CSS, jQuery, Javascript, Bootstrap, Bulma, Tailwind

Back-end: Node, Express, MySQL

Skills

Team player | Fast learner | Good communication | Great attention to detail | Self motivated

Projects

Park Pass | Repo: <https://github.com/gokubblue007/Park-Pass> | Deployed:

<https://gokubblue007.github.io/Park-Pass/>

Contributor

- Park Pass displays National Park information
- Park Pass is a web app that allows the user to search for National Parks. The search returns park info, hiking trails, and current weather. My role in this project was to display hiking trails on a map using Google Maps Api.
- Tools/Languages: HTML, CSS , Javascript, JQuery, Bulma, Google Maps Api, OpenWeather Api, National Parks Api, and MomentJs.

Tech Blog | Repo: <https://github.com/mahiv87/Tech-Blog> | Deployed: <https://calm-gorge-51353.herokuapp.com/>

Developer

- A Full Stack web app
- Tech Blog is a CMS style blog site to create post about all things tech. Users can signup, log in, post, and comment on blog post. My role in this project was to cover both front-end, and back-end development.
- Tools/Languages: HTML, CSS , Javascript, Bootstrap, MySQL, Node, Express, Express-Session, Sequelize, Handlebars, Heroku

Note Taker | Repo: <https://github.com/mahiv87/Note-Taker> | Deployed:

<https://obscure-fjord-19530.herokuapp.com/>

Developer

- Note Taker can be used to write and save notes.
- Use Note Taker to write, save, edit, and delete notes. My role in this project was to build a back-end, and connect it to the existing front-end.

- Tools/Languages: HTML, CSS , Javascript, Bootstrap, Node, Express, Heroku
